CMA 25th Anniversary Envision Conference

7th & 8th of October 2022

We would love to invite all CMA Centre team members to join us for our annual conference at Barnabas Church Centre, Shrewsbury. It will be a time of celebration to mark the 25th Anniversary of Heather Keates opening the very first CMA Debt Advice Centre in Burgess Hill, 1997.

We will have a range of seminars, main stage presentations, worship and food, and it will be a fantastic opportunity to connect with others from centres across the network.

Full booking details can be found on the
CMA website by clicking **Conference**

We hope you can join us!
